I am excited to announce some additions to the league. T&T Properties is sponsoring our league which will allow us to give away \$1,500. Every week during regular season league play we will give away \$100 (4 x \$25 Gift Certificates). There will be a variety of contests weekly to determine the winners. Our league is now officially the T & T Properties Men's League.

The season will consist of 15 regular season matches + up to 4 playoff matches starting on May 4<sup>th</sup>. Optional Texas Scramble fun nights will be organized the weeks before and after league play. I will send an email when we are ready to start fun nights with more details.

La Broquerie Golf Course is now a Member of Golf Manitoba which will give us access to the New World Handicap System. Our Leagues main objective is to make it fun for all. Improving on the accuracy of players handicaps will go a long way towards achieving this goal. [Golf MB Membership Benefits Info](#)

This New Handicap System was introduced last year. The new system focuses on three main objectives: to encourage as many golfers as possible to obtain and maintain a handicap; to enable golfers of differing abilities, genders and nationalities to transport their handicap to any course globally and compete on a fair basis; and to indicate with sufficient accuracy the score a golfer is reasonably capable of achieving on any course around the world, playing under normal conditions. Men's League players will now have an official Golf Canada Handicap that can be used for competitions that require one.
