

Men's League Sign Up – T & T Properties Men's League on Tuesday evenings.

Ladies Night will be on Wednesday evenings with more details to come shortly.

The golf season is approaching quickly, and we are looking at finalizing this year's league. We only have a few spots left to fill, so if you are interested and can commit to playing this year, please send in your info ASAP. The remaining spots will be filled on a first come first served basis. All the info can be found below or call the Pro Shop for more details.

The format will be the same as last season, which is 2 Person Teams in a Match Play format using handicaps. Please fill-out the registration form or email info@labgolf.ca with the information requested on the registration form. Please complete 1 form per individual person and indicate who your playing partner is or if you might need help finding a partner. You can make a payment anytime by the options listed in the form or come to the golf course in person. We have someone in the Pro-shop from 8:00AM-4:00PM Monday to Friday. You can also pay on the first league night, however that's usually a busy time, so ideally everyone would take care of this ahead of time. Please click the link for the [registration form](#) and you can click here for the [rules](#).

I am excited to announce that T&T Properties will continue sponsoring our league, which will allow us to give away \$1,500. Every week during regular season league play, we will give away \$100 (4 x \$25 Gift Certificates). There will be a variety of contests weekly to determine the winners.

The season will consist of 15 regular season matches + up to 4 playoff matches with an anticipated start date of May 3rd. Optional Texas Scramble fun nights will be organized the weeks before and after league play. I will send an email when we are ready to start fun nights with more details.

La Broquerie Golf Course remains a Member of Golf Manitoba which gives us access to the New World Handicap System. Our League Members get a discounted rate of \$38.85, so we will take care of renewing your membership as part of your Men's League registration. You can disregard the emails you receive to renew directly because it will cost you \$63 if you renew directly. Our League's main objective is to make it fun for all. Improving on the accuracy of players handicaps will go a long way towards achieving this goal. [Golf MB Membership Benefits Info](#)

This New Handicap System was introduced in 2020. The new system focuses on three main objectives: to encourage as many golfers as possible to obtain and maintain a handicap; to enable golfers of differing abilities, genders, and nationalities to transport their handicap to any course globally and compete on a fair basis; and to indicate with sufficient accuracy the score a golfer is reasonably capable of achieving on any course around the world, playing under normal conditions. Men's League players will have an official Golf Canada Handicap that can be used for competitions that require one.

As an added bonus, we are offering **5% off Twilight Memberships** for anyone who's registered in either Men's League or Ladies Night. League nights for non-members will cost \$19 for Green Fee and \$11 for ½ cart, so by purchasing a Twilight Membership you can save money if you play on Tuesday nights and benefit from coming any other evening at no additional cost. The twilight Membership works out to \$655.50 including tax. [Membership Application Form](#)
