We know that some ladies may be interested in a more competitive league like the men's league format, and others may prefer a more casual golf night. Some formats will require a partner, so we encourage you to register with a partner. We will do our best to find you a partner if you register alone. Please submit the Ladies Night/League Registration form with your preference of play to [info@labgolf.ca](mailto:info@labgolf.ca). Submitting the registration form gives us an idea of the level of interest in each format.

To be included in the weekly Ladies Night format, we ask that you call the Pro Shop at 204-424-5046 before 10:00 a.m. to register on the day of. This allows for some flexibility for those who can't attend every Wednesday.

As a bonus, we are offering 5% off Twilight Memberships for anyone who registers for Ladies Night/League. League nights for non-members will cost \$19 for green fee and \$11 for ½ cart, so by purchasing a Twilight Membership you can save money if you play on Wednesday nights and benefit from coming any other evening at no additional cost. The Twilight Membership works out to \$655.50 including tax. Click on link for the [Membership Form](#).

If we have enough interest for a League Format just like our Men's League, which is a 2 Person Match Play Format, we will require those participants to purchase a Golf Manitoba/Canada Membership for \$38.85 Taxes included. This is to establish a proper handicap for competition.

La Broquerie Golf Course is a Member of Golf Manitoba which will give us access to the World Handicap System. Our Leagues main objective is to make it fun for all. Improving on the accuracy of players handicaps will go a long way towards achieving this goal. For more information on Golf MB Membership Benefits click [here](#).

The Handicap System was introduced in 2020 and focuses on three main objectives: to encourage as many golfers as possible to obtain and maintain a handicap; to enable golfers of

differing abilities, genders and nationalities to transport their handicap to any course globally and compete on a fair basis; and to indicate with sufficient accuracy the score a golfer is reasonably capable of achieving on any course around the world, playing under normal conditions. Men's & Ladies League players will now have an official Golf Canada Handicap that can be used for competitions that require one.
